5 November 1986

**NOTE FOR: The Deputy Director**

**VIA: Dave Gries**

**FROM:**

STAT

**SUBJECT: Clarification of Comments by Bernie McMahon**

The 8-7 vote that Bernie McMahon mentioned referred to the SSCI vote to publish the Committee's report on the estimative process. We are told that Senator Durenberger is still holding the report and that it has not yet been (and may not be) published. The Committee has already published its 141 page sanitized counterintelligence report.
